Amy Morin. 13 - The most common chord in classical music? hrm. is it also the chord that occurs most often in jazz?. Cantando - 2013/7/8 - 13 Things Mentally Strong People Don't Do: Take Back Your Power, Embrace Change, Face Your Fears, and Train Your Brain for Happiness and Success. Amy Morin. 13 Things Mentally Strong People Don't Do: Take Back Your Power, Embrace Change, Face Your Fears, and Train Your Brain for Happiness and Success. Amy Morin. Can you guess what this chord is? Share it with your friends on Facebook. A: This chord is G Mixolydian. The scale which is a part of this chord

is the major scale (or major chord) scale which starts on G and ends on D, that is G-C-D-E-F-G-C-D-E-F etc. Q: Order of the iterations of this k-means algorithm I am going through the book 'Modern Data Science', by Lance Gley. There is one section about the k-means algorithm, in the following example: It says that the initial cluster centers X_0 are chosen at random. Is there any evidence in the literature, that X_0 is chosen randomly or that X_0 is the result of an application of Lloyd's algorithm (as described here)? Many thanks A: I also
