It is the third of the Little Mermaid films, and is the second to be released in North America. Plot The film tells a condensed version of the Little Mermaid story from the beginning, focusing on Ariel's escape from Ursula and Scuttle. She tries to convince Sebastian to kiss her, which he does, and they fall in love. However, when King Triton sees the couple, he sends Ariel to the human world to get Eric, who is a fisherman. Ariel leaves Triton and her father's kingdom and makes her way to the human world, where her mother waits for her to return. She returns home, where Triton and Ursula want to kill her, but Scuttle saves her. Ursula then makes her spell to take over Ariel's heart. Ariel takes the heart from Scuttle and with Sebastian's help, escapes her home. When Triton finds out, he is enraged, and bans Ariel from his kingdom. 2d92ce491b
