If you find problems or have a suggestion or want to report something please contact me via email: gordok@milagro.nll'm back with a series of musings on a subject that bothers me a lot of the time, but I think a lot of people enjoy as well: team play, or more generally: teamwork. What is teamwork? What is its importance? Why do we get so caught up in PvP that we forget to play the long game? What can be done to improve the way a group of people work together? Why is teamwork important for 09e8f5149f
