Protect Public Health and Safety: The U.S. Post Office May Not Be Able to Operate Without Comprehensive Reform Today, The National Partnership for Reinventing Government released a groundbreaking report that shines a light on the critical role the U.S. Post Office plays in Americans' lives—and the lack of

---

comprehensive reform that has crippled the Post Office for years. "The Postal Service currently operates at or near crisis levels, with no obvious end in sight," says Catherine Austin Fitts, President of The National Partnership for Reinventing Government, which released the report today. "Without adequate reform, the service will likely experience continuing financial instability, disruption in mail delivery, and frequent service problems. Without reform, the Postal Service will continue to
