For those that already have the AT amp T GS4 update to Jelly Bean 4. Marketing and brand development for the entertainment industry Menu Paging John Carpenter – A Retrospective of John Carpenter's Top 10 Albums If there was one signature sound in John Carpenter's work (apart from his iconic slasher movies), it would be his synth soundtrack, starting in the 1980's with Escape from New York and ending with his two final albums released in 2001: Lost Themes and Lost Themes II. By his final albums, Carpenter had switched from just synth music to a more diverse range of soundtracks from horror to comedy, and of course one could argue a real influence from Carpenter's work on music was the success of the 80's synth music scene in the USA. For the purposes of this article, I'm going to go through and discuss each of Carpenter's albums and their distinct soundtracks, and I will end with a Top 10. 648931e174
